Lessee shall have the duty, upon Lessor's written request, to remove from the Premises before the expiration of the term, or within fifteen (15) days after the expiration of the term, any additions, improvements or alterations Lessee has made to the Premises, so long as the removal will not cause structural damage to the Premises, and Lessee, at its cost, shall promptly restore any damage caused by the removal.

The Lessee shall not cause or permit any mechanic's liens to be filed against the Premises, and Lessee shall indemnify, hold harmless, and defend the Lessor from and against any and all such liens.

Moreover, any additions, alterations and improvements made by Lessee, with or without consent of the Lessor, no matter how attached to the premises, shall remain the property of the Lessor unless otherwise stipulated herein, and Lessee expressly waives any right to compensation or reimbursement for any such additions, alterations or improvements which may be made on the premises. Lessee's insurance policies and coverage shall be endorsed to apply on a primary basis. It is further provided that Lessee's insurance policies and coverage shall contain (either directly in the policy or by endorsement) a provision that provides that the Lessor shall be entitled to thirty (30) days prior written notice of cancellation and/or non renewal of such policy or coverage of the Lessee.

Section 17.01 - Damage or Destruction:

If the Premises are so damaged or destroyed by fire, flood, earthquake, the elements, casualty, war, riot, public disorder, acts authorized or unauthorized by the government (including a condemnation proceeding) or any other cause or happening so as to render the Premises unusable for Lessee's operations, as determined by the Lessor acting in good faith and in a commercially reasonable manner, this Agreement shall terminate immediately and any unearned rent paid by Lessee shall be refunded without demand, setoff or reduction as of the date of such destruction or damage. set forth above, Lessee shall give Lessor written notice of the damage and if repairs are not undertaken by the Lessee within thirty (30) days from the date of such notice to Lessor, Lessor may terminate this Agreement by giving written notice to the Lessee. If Lessor elects not to terminate, this Agreement shall continue in full force and effect and the damages to the Premises shall be repaired by and at the expenses of Lessee, except to the extent provided for or compensated for by Lessor's insurance. Moreover, until such repair is substantially completed so that full use and occupancy of the Premises by Lessee is possible, the rent shall be apportioned according to the portion of the Premises which remains usable. If such repairs are not completed within one hundred eighty (180) days from the date of written notice of the casualty to Lessor, the Lessor may terminate this Agreement by the giving of written notice to the other party within ten (10) days of the expiration of the 180-day period.

If the building in which the Premises is located, or any portion thereof, provided such damaged portion contains all or a portion of the Premises, is partially damaged or rendered partially unusable by fire or other casualty set forth above, as determined by the Lessor acting in good faith and in a commercially reasonable manner, Lessor shall undertake the repair of the building and the Premises (except if such damage is caused by the negligence, willful misconduct or the gross negligence of the Lessee, its employees, officers, directors, shareholders, members, partners, representatives, agents, customers, guests, invitees, or licensees, in which case the Lessee shall be responsible for the repair of the building and the Premises, except to the extent provided for or compensated for by Lessor's insurance) within thirty (30) days from the date of the damages. This Agreement shall continue in full force and effect during the period of the repair and/or until this Agreement is terminated as provided herein. Moreover, until such repair is substantially completed so that full use and occupancy of the Premises by the Lessee is possible, the rent shall be apportioned according to the portion of the Premises remaining usable. If such repairs are not completed within one-hundred eighty (180) days from the date that the repair work is began, either party may terminate this Agreement by giving written notice to the other party within ten (10) days of the expiration of the 180 day period.

Section 18.01 - Lessee's Default:

The following events shall be deemed to be events of default by Lessee under this Agreement:

Lessee shall be adjudged bankrupt, or shall file a voluntary petition in bankruptcy or make a general assignment for the benefit of Lessee's creditors, or a receiver be appointed for Lessee's property, or if execution be issued against Lessee's interest in this Agreement, or if Lessee's interest in this Agreement shall by operation of law pass to any person other than Lessee; or
- B. Lessee shall fail to pay the rental due hereunder or any other amount payable to Lessor hereunder; or

Upon the occurrence of any one or more of such events of default, at the option of Lessor, (i) this Agreement shall cease and terminate immediately and Lessee shall quit and surrender the Premises to Lessor, or (ii) Lessor may pursue any remedy available to Lessor, whether by law or contract, or in equity, including without limitation the repossession of the Premises by Lessor without terminating the Agreement, in which event Lessee shall be liable for all rent payable through the date of repossession, plus rent required to be paid by Lessee during the remainder of the initial term (or, if applicable, the any renewal term), diminished by any sums thereafter received by Lessor through reletting the Premises during said period. If this Agreement shall be terminated by Lessor pursuant to this Section 18.01, Lessor may at any time thereafter resume possession of the Premises by any lawful means and remove Lessee and Lessee's property therefrom. Lessee hereby waives all requirements to give written notice to vacate the premises in accordance with the provisions of Articles 4701 through 4705 of the Louisiana Code of Civil Procedure. Time is of the essence with respect to all matters described in this Section 18.01.

Section 19.01 - Lessor's Default:

If the default cannot reasonably be cured within thirty (30) days, Lessor shall not be in default of this Agreement if Lessor commences to cure the default within the thirty-day period and in good faith continues to cure the default. In the event the Lessor fails to cure a default as provided hereinabove and the continuance of such default results in the interruption of the Lessee's peaceable enjoyment of the Premises, then the Lessee shall be entitled to the abatement of the monthly rent payable under this Agreement and the amount of such abatement shall be in the same proportion as the amount of the Premises rendered unusable by Lessor's default is to the totality of the Premises.

Section 20.01 - Surrender of Premises:

Upon termination of this Agreement by lapse of time or otherwise, Lessee shall immediately surrender the Premises in as good condition as they were in at the beginning of the term, ordinary wear and tear and alterations, changes and additions made in compliance with this Agreement, acts of God, and other casualty excepted. In the event the Lessee retains possession of the Premises after the termination date of this Agreement, then the Lessee shall pay to the Lessor a monthly rental amount equal to 200% of the monthly rental amount set forth in Section 4.01 hereof for each month or part thereof that the Lessee retains possession of the Premises after the termination date of this Agreement.
