Development and Planning Department

Lafayette, LA 70501
Monday thru Friday 7:00 am - 4:00 pm
Ph: (337) 291-8000
Fax: (337) 291-8492
LUS – 337-993-4237
- 6) Insurance Certificate: If your agent has any questions about the building, please have him call me on my cell 337-288-5411.
- 7) Signage: (Due to the nature and location of space, just make sure not to order anything for the exterior of the building without getting approval from Belle. Universal Sign usually takes your sketch and turns into a draft drawing super imposed onto building and circulates for approval. They will have some standard size and fonts which can be less expensive to manufacture than a fully custom drawing so it may be beneficial to call them before sketching something out. They may even be able to take your idea given to them verbally and put something together. Just let them know location is under the “P” in the same space where “WildBirds Etc” used to be.

- a. You will be able to put exterior signage similar to the other tenants under the “P” in the corner of the center. Size is still to be determined, but still talk to Universal Sign Company so they can start working a quote for you.
 - b. Parking signage on some type of pole or other movable item that can be taken in and out daily.
- 8) Contact Butcher to get a maintenance contract set up.
 - 9) Complete Certificate of Occupancy Application and deliver to the Willow Street Address.
 - 10) Once the CO has been issued, you can call LUS and have them switch electric to your name (from Belle Realty’s name).
 - 11) Once you get the bank account for your LLC set up, I will need you to sign an ACH form and give me a voided check. I am attaching the ACH Form to this email as well. If you fill out and get to me I can set up and even pull the security deposit at end of month if you want.

Sincerely,

Belle Realty of Lafayette, LLC
