Notwithstanding the above, the Tenant shall have the absolute right to assign this Lease or sublet all or any part of the Premises to any other corporation which is an affiliate, subsidiary or parent of the Tenant, or to any entity which merges or consolidates with, or acquires substantially all of the assets of the Tenant, without the consent, either written or oral, of the Landlord, provided that the Use shall remain the same as that set forth in Section 2.01 of this Agreement. Lessee shall be responsible for all repairs required, excepting the roof, exterior walls, doors, plate glass and structural foundations including any utilities that may be run through the subfloor or foundations, which shall be maintained by Lessor. Lessee shall also be responsible for keeping at all times areas immediately adjacent to the Premises, such as sidewalks and parking areas free and clear of trash and other refuse. Lessee shall promptly repair any damage to any part of the building in which the Premises is located in the event such damage is caused by or attributable to the actions or inactions of Lessee, its employees, officers, directors, shareholders, members, partners, representatives, agents, customers, guests, invitees or licensees, to the extent to which such is not covered by insurance under Section 15.01. Notwithstanding the foregoing, the Lessor shall be responsible for the repair and replacement, if necessary, of the heating and air conditioning ("HVAC") systems servicing the Premises provided that (i) the Lessee shall pay the first \$500.00 for each repair visit and/or the first \$500.00 toward the replacement cost of the HVAC systems or any component thereof and (ii) the Lessee maintains, at its own expense, for the full term of this lease and any renewal or extensions thereof, a monthly maintenance contract with Butcher Air Conditioning or other reputable A/C contractor for regular routine maintenance to the HVAC systems and components thereof. Further provided, in the event it is determined by the HVAC maintenance provider the HVAC systems or any component thereof must be replaced and such replacement is made within fifteen (15) days of a repair visit made by such HVAC maintenance provider ("Preceding Repair Visit") (not including a routine maintenance visit pursuant to a monthly maintenance contract), then the amount paid by the Lessee toward the cost of the Preceding Repair Visit shall be credited toward the Lessee's obligation to pay the first \$500.00 toward the replacement cost of the HVAC systems.

Lessee further agrees to maintain the Premises in clean and healthful condition and to comply with all laws, ordinances, orders, rules and regulations (state, federal, municipal and any other agencies or bodies having any jurisdiction thereof) with respect to the use, condition or occupancy of the Premises.

In discharging the responsibilities hereunder, Lessee shall utilize the services of bonded, licensed contractors to perform all maintenance or repair work to the Premises.

Lessee agrees to hire Butcher Air Conditioning or other reputable A/C contractor to perform all maintenance, repairs and replacements of the heating and air conditioning systems and components servicing the Premises; Lessee agrees to hire Magnon Electric to perform all maintenance, repairs and replacements of the electrical system and components servicing the Premises provided the rates of both Butcher Air Conditioning and Magnon Electric are comparable to other similar providers of HVAC and electrical service in the immediate area.

Section 10.01 - Alterations:

- B. The improvements or alterations shall be in conformance with all applicable local, state or federal laws and regulations.

The Lessee shall not cause or permit any mechanic's liens to be filed against the Premises, and Lessee shall indemnify, hold harmless, and defend the Lessor from and against any and all such liens.

Moreover, any additions, alterations and improvements made by Lessee, with or without consent of the Lessor, no matter how attached to the premises, shall remain the property of the Lessor unless otherwise stipulated herein, and Lessee expressly waives any right to compensation or reimbursement for any such additions, alterations or improvements which may be made on the premises. Notwithstanding the above, however, Lessee may remove from the premises its office supplies, movable office furniture and movable equipment not attached to the leased premises provided (a) such removal is made prior to the termination of the term of the lease; (b) Lessee is not in default of any obligation or covenant under this lease at the time of such removal; and (c) Lessee promptly repairs all damage, no matter how slight, caused by the installation, use or removal of such furniture or equipment. Furthermore, Lessee, or any of its hired architects, engineers, contractors, subcontractors or employees, shall not remove or discard any component, fixture or flooring, movable or immovable, etc., without first consulting the Lessor and obtaining Lessor's written permission.

Section 11.01 Utilities and Janitorial Services:

Lessee shall pay before same becomes delinquent, all utility and service charges for utilities or services furnished to the Premises or used by the Premises or the Lessee, including, without limitation, electricity, gas, water, telephone service and trash collection. At the commencement of the Term, Lessee shall immediately transfer electric utility service from the name of Lessor to the name of Lessee. If the Lessee fails to immediately transfer electric utility service to the name of Lessee, Lessor may, at its discretion, (i) direct the electric utility provider to discontinue service to the Premises in Lessor's name, or (ii) make electric utility payments on behalf of Lessee and require that Lessee remit to Lessor full reimbursement for such payments together with a \$100.00 administrative fee for each payment required to be made by Lessor.

Lessor shall have the right to approve such signs prior to their placement on the Premises, which approval shall not be unreasonably withheld, and any sign that Lessee has the right to place, construct and maintain shall comply with all applicable laws or regulations including, but not limited to the rules and regulations attached hereto as **Schedule C** and the design criteria attached hereto as **Schedule D**. Upon termination of the tenancy herein created, Lessee shall remove any sign so placed and repair any damage or injury to the Premises or the exterior thereof caused by such removal. In the event the Lessee does not remove its sign as provided herein, then the Lessor shall have the right to remove the sign or signs and the Lessee shall be responsible for the payment of such removal and such cost or expense shall be considered as rent due hereunder.

In addition, Lessee must obtain prior written approval from Lessor of all Lessee exterior signage.

Should Lessee choose to place a sign under the Premises walkway, it must be erected by Hubbard Sign Company and paid for by the Lessee.

Section 13.01 - Access:

Lessor and its authorized representatives shall have the right after 12 hours notice to Lessee, to enter the Premises during Lessee's business hours and at all other reasonable times with such prior notice for the purpose of:

If the Premises are so damaged or destroyed by fire, flood, earthquake, the elements, casualty, war, riot, public disorder, acts authorized or unauthorized by the government (including a condemnation proceeding) or any other cause or happening so as to render the Premises unusable for Lessee's operations, as determined by the Lessor acting in good faith and in a commercially reasonable manner, this Agreement shall terminate immediately and any unearned rent paid by Lessee shall be refunded without demand, setoff or reduction as of the date of such destruction or damage. However, there shall be no termination and no refund of unearned rent, except to the extent provided for or compensated for by Lessor's insurance, paid by Lessee, if the damage is caused by the negligence, willful misconduct or gross negligence of Lessee, its employees, officers, directors, shareholders, members, partners, representatives, agents, customers, guests, invitees or licensees.

If the Premises are partially damaged or rendered partially unusable by fire or other casualty, as set forth above, Lessee shall give Lessor written notice of the damage and if repairs are not undertaken by the Lessee within thirty (30) days from the date of such notice to Lessor, Lessor may terminate this Agreement by giving written notice to the Lessee. If the said damages occur during the final six (6) months of the Lease Term or any renewal or extension thereof, then Lessor must notify Lessee within thirty (30) days from the date of the casualty of the estimated time required to repair or restore the Premises or the Building, and either party at its sole discretion and without further liability may terminate this Lease, as of the date of the casualty by giving written notice to the other party not more than sixty (60) days after the casualty. This Agreement shall continue in full force and effect during the period of the repair and/or until this Agreement is terminated as provided herein. Moreover, until such repair is substantially completed so that full use and occupancy of the Premises by the Lessee is possible, the rent shall be apportioned according to the portion of the Premises remaining usable. If such repairs are not completed within one-hundred twenty (120) days from the date that the repair work begins, either party may terminate this Agreement by giving written notice to the
