12) Recommendation

Status: ☐ **APPROVE** (Lease appears executed and effective November 1, 2024)

Strengths

1. **Escalating Rent:** Base rent increases from \$10.50/SF (stabilized) to \$12.50/SF by final period — provides revenue growth
2. **NNN Structure:** CAM/Tax/Insurance passed through to tenant; Landlord insulated from operating cost increases (subject to 5% annual cap)
3. **Minimal TI Exposure:** "AS IS" lease; no landlord improvement obligations
4. **HVAC Cost-Sharing:** Tenant pays first \$1,000/visit and must maintain monthly maintenance contract
5. **Standard Protections:** Insurance requirements, indemnity, assignment restrictions, default remedies all standard and landlord-favorable
6. **Use Restrictions:** Tenant acknowledges prohibited uses that protect other tenant exclusives

Risks / Considerations

1. **Early Termination Right:** Tenant may exit with 15 days' notice during first 3 months (Jan-Mar 2025) — minimal landlord recourse

2. **6-Month Free Rent:** Base rent abatement through April 2025 reduces Year 1 revenue
3. **Renewal Rent TBD:** No formula for renewal rent; potential for negotiation friction in 2031
4. **HVAC Maintenance Contingency:** Landlord's HVAC obligation depends on tenant maintaining Butcher Air Conditioning contract — monitor compliance
5. **Missing Contact Info:** No email/phone for tenant in lease (obtain for DoorLoop and operational use)
6. **No Personal Guaranty:** Corporate tenant with no individual guarantor — credit risk depends on entity strength

Recommended Next Steps (if lease not yet fully executed)

- ☐ Confirm execution date is filled in
- ☐ Obtain tenant contact email/phone for operational use
- ☐ Verify all Schedules (A, B, C, D, D1) are attached and complete
- ☐ Consider requiring personal guaranty from C. Wolf Barber & Shop LLC principals (if acceptable to tenant)
- ☐ Add renewal rent formula (e.g., "greater of [X% increase] or fair market rent") to avoid future disputes
