Lessee further agrees to maintain the Premises in clean and healthful condition and to comply with all laws, ordinances, orders, rules and regulations (state, federal, municipal and any other agencies or bodies having any jurisdiction thereof) with respect to the use, condition or occupancy of the Premises.

Notwithstanding the foregoing, by execution of this Agreement, Lessor agrees to the Lessee's initial build out plans as set forth in **Schedule F**. In making any improvements, additions or alterations that require the consent of Lessor, Lessee, after obtaining Lessor's consent, shall comply with the following:

- A. The improvements or alterations shall not be commenced until seven (7) days after Lessor has received written notice from Lessee stating the date the alterations are to commence and Lessor has consented to same.
- B. The improvements or alterations shall be in conformance with all applicable local, state or federal laws and regulations.

Lessee shall have the duty, only if Lessor so requests in writing, to remove from the Premises before the expiration of the term, or within fifteen (15) days after the expiration of the term, any additions, improvements or alterations Lessee has made to the Premises, so long as the removal will not cause structural damage to the Premises, and Lessee, at its cost, shall promptly restore any damage caused by the removal.

The Lessee shall not cause or permit any mechanic's liens to be filed against the Premises, and Lessee shall indemnify, hold harmless, and defend the Lessor from and against any and all such liens.

Moreover, any additions, alterations and improvements made by Lessee, with or without consent of the Lessor, no matter how attached to the premises, shall remain the property of the Lessor unless otherwise stipulated herein, and Lessee expressly waives any right to compensation or reimbursement for any such additions, alterations or improvements which may be made on the premises. Notwithstanding the above, however, Lessee may remove from the premises its office supplies, movable office furniture and movable equipment not attached to the leased premises provided (a) such removal is made prior to the termination of the term of the lease; (b) Lessee is not in default of any obligation or covenant under this lease at the time of such removal; and (c) Lessee promptly repairs all damage, no matter how slight, caused by the installation, use or removal of such furniture or equipment. Furthermore, Lessee, or any of its hired architects, engineers, contractors, subcontractors or employees, shall not remove or discard any thing or any item, furniture, fixture, flooring, movable or immovable, etc., without first consulting the Lessor and obtaining Lessor's written permission.

Section 12.01 – Signs:

Lessee, at its cost shall have the right to place, construct and maintain an exterior sign on the Premises advertising its business conducted on the Premises. Such sign shall be located on the front exterior wall of the Premises above the front canopy extending from the front wall. Lessor shall have the right to approve such signs prior to their placement on the Premises, which approval shall not be unreasonably withheld, and any sign that Lessee has the right to place, construct and maintain shall comply with all applicable laws or regulations including, but not limited to the rules and regulations attached hereto as Schedule D and the design criteria attached hereto as Schedule E. Upon termination of the tenancy herein created, Lessee shall remove any sign so placed and repair any damage or injury to the Premises or the exterior thereof caused by such removal, and Lessee shall retain the contractor designated by Lessor to repair the damage caused by such removal. In the event the Lessee does not remove its sign as provided herein, then the Lessor shall have the right to remove the sign or signs and the Lessee shall be responsible for the payment of such removal and such cost or expense shall be considered as rent due hereunder.

In addition, Lessee must obtain prior written approval from Lessor of all Lessee exterior signage.

Notwithstanding the foregoing, Lessor hereby consents to and authorizes Lessee to install upon the Premises the signage depicted on Exhibit "E-1."

Section 13.01 – Access:

Lessor and its authorized representatives shall have the right after 12 hours notice to Lessee, to enter the Premises during Lessee's business hours and at all other reasonable times with such prior notice for the purpose of:

- A. Determining whether the Premises are in good condition and whether Lessee is complying with its obligations under this Agreement;
- B. Doing any necessary maintenance and to make any restoration or repair to the Premises or the building and other improvements in which the Premises are located that Lessor has the right or obligation to perform.
- C. Posting "for rent" or "for lease" signs during the last three (3) months of the term of the lease or any renewal thereof.

Section 14.01 – Indemnity:

Lessee shall hold Lessor harmless from all damages arising out of any loss, theft, injury or damage to any person or property (as the case may be) occurring in, on, or about the Premises except for

damages resulting from the gross negligence or willful conduct of Lessor. Lessee shall be liable to Lessor for damages resulting from the acts or omissions of Lessee, its employees, officers, directors, shareholders, members, partners, representatives, agents, customers, guests, invitees and licensees or of Lessee's, its employee's, officer's, director's, shareholder's, member's, partner's, representative's, agent's, customer's, guest's, invitee's and licensee's negligence, gross negligence or willful conduct. Lessee's obligation under this paragraph to indemnify and hold the Lessor harmless shall be limited to the sum that exceed the amount of insurance proceeds, if any, received by the Lessor.

Likewise, Lessor shall hold Lessee harmless from all damages arising out of any loss, theft, injury or damage to any person or property (as the case may be) occurring in, on, or about the Premises resulting from the gross negligence or willful misconduct of the Lessor, its employees, officers, directors, shareholders, members and partners.

The indemnitee shall give prompt notice to the indemnitor of any claim to which this indemnity applies.

Section 14.02 - Hazardous Substances:

Lessee warrants and covenants that neither the Lessee, nor its employees, agents, officers, shareholders, partners, members, invitees, guests or customers shall use, deposit, store, transport, locate, bring on to or cause to be brought on to the Premises any Hazardous Substances and further warrants and covenants that neither Lessee nor employees, agents, officers, shareholders, partners, members, invitees, guests or its customers shall release, discharge, spill, dispose, emit or permit the breakage of, Hazardous Substances in, on or under the Premises.

Lessee agrees to indemnify and hold harmless Lessor from any and all claims, damages, fines, judgments, penalties, costs, liabilities, or losses (including, without limitation, any and all sums paid for settlement of claims, attorneys' fees, consultant and expert fees) arising during or after the term of this Agreement or any renewal hereof from or in connection with the presence or suspected presence of Hazardous Substances in or on the Premises, which Hazardous Substances were brought onto the Premises during the term of the lease or any renewal thereof by the Lessee, its agents, officers, representatives, employees, invitees or licensees or become deposited or otherwise become present of the Premises during the term of this Agreement or any renewal thereof. Without limiting of the foregoing, this indemnification shall include any and all costs incurred due to any investigation of the site or any cleanup, removal, or restoration mandated by a federal, state, or local agency or political subdivision.

For purposes of this section, the term "Hazardous Substances" shall be interpreted broadly to include, but not be limited to, substances designated as hazardous under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. 9601, et seq., the Resource Conservation and Recovery Act, 42 U.S.C. 2201, et seq., and any applicable State or federal law or regulation. The term shall also be interpreted to include but not be limited to any substance which after release into the environment and upon exposure, ingestion, inhalation or assimilation, either directly from the environment or directly by ingestion through food chains will or may reasonably be anticipated to cause death, disease, behavior abnormalities, cancer and/or genetic abnormalities, and oil and petroleum based derivatives.

The provisions of this section shall be in addition to any other obligations and liabilities Lessee may have to Lessor at law or in equity and shall survive the termination of this Agreement.

Section 15.01 – Insurance:

Lessee, at its cost, shall maintain comprehensive general liability insurance in a minimum amount of \$1,000,000.00 for each occurrence with a \$2,000,000.00 general aggregate, including \$1,000,000.00 personal and advertising coverage, \$100,000.00 in fire legal liability, and \$5,000.00 in medical payments, insuring against all liability of Lessee arising out of and in connection with Lessee's use or occupancy of the Premises. All such insurance policies shall name the Lessor as an additional insured. At the Commencement Date and on each anniversary date of the Commencement Date, Lessee shall supply to Lessor a certificate that such insurance is in force and the requisite premiums have been paid. Lessee's insurance policies and coverage shall be endorsed to apply on a primary basis. It is further provided that Lessor shall be entitled to thirty (30) days prior written notice from Lessee of cancellation and/or non-renewal of such policy or coverage of the Lessee. Notwithstanding the provisions of Section 18.01, the failure of Lessee to provide the notice to Lessor required under this Section not later than 15 days prior to the expiration shall be a breach of this Agreement entitling the Lessor to immediately terminate this Agreement.

Lessor shall maintain fire, casualty and extended coverage insurance on the Boulevard Shopping Center Property and improvements thereon, and upon written request from the Lessee, the Lessor shall supply to Lessee a certificate establishing that such insurance is in force and the requisite premiums have been paid.

Section 16.01 - Waiver of Subrogation:

To the extent that a loss is covered by insurance in force and recovery is made for such loss, the Lessor and Lessee hereby mutually hold harmless and release each other from liability and waive all right of subrogation against each other for any loss or damage to their respective properties. Each party shall cause each insurance policy obtained by it to provide that the insurance company waives all right of recovery by way of subrogation against either party in connection with any damage covered by any policy.

Section 17.01 - Damage or Destruction:

If the Premises are so damaged or destroyed by fire, flood, earthquake, the elements, casualty, war, riot, public disorder, acts authorized or unauthorized by the government (including a condemnation proceeding) or any other cause or happening so as to render the Premises substantially unusable for Lessee's operations, as determined by the Lessor acting in good faith and in a commercially reasonable manner, this Agreement shall terminate immediately and any unearned rent paid by Lessee shall be refunded without demand, setoff or reduction as of the date of such destruction or damage. However, there shall be no termination and no refund of unearned rent if the damage is caused by the negligence, willful misconduct or gross negligence of Lessee, its employees, officers, directors, shareholders, members, partners, representatives, agents, customers, guests, invitees or licensees.

If the Premises are partially damaged or rendered partially unusable by fire or other casualty, as set forth above, Lessee shall give Lessor written notice of the damage and if repairs are not undertaken by the

Lessor within thirty (30) days from the date of such notice to Lessor, Lessee may terminate this Agreement by giving written notice to the Lessor. If Lessee elects not to terminate, this Agreement shall continue in full force and effect and the damages to the Premises shall be repaired by and at the expenses of Lessee, except to the extent provided for or compensated for by Lessor's insurance. Moreover, until such repair is substantially completed so that full use and occupancy of the Premises by Lessee is possible, the rent shall be apportioned according to the portion of the Premises which remains usable. If such repairs are not completed within one hundred eighty (180) days from the date of written notice of the casualty to Lessor, the Lessor may terminate this Agreement by the giving of written notice to the other party at any time after the expiration of the 180-day period.

If the building in which the Premises is located, or any portion thereof, provided such damaged portion contains all or a portion of the Premises, is partially damaged or rendered partially unusable by fire or other casualty set forth above, as determined by the Lessor acting in good faith and in a commercially reasonable manner, Lessor shall undertake the repair of the building and the Premises (except if such damage is caused by the negligence, willful misconduct or the gross negligence of the Lessee, its employees, officers, directors, shareholders, members, partners, representatives, agents, customers, guests, invitees, or licensees, in which case the Lessee shall be responsible for the repair of the building and the Premises, except to the extent provided for or compensated for by Lessor's insurance) within thirty (30) days from the date of the damages. This Agreement shall continue in full force and effect during the period of the repair and/or until this Agreement is terminated as provided herein. Moreover, until such repair is substantially completed so that full use and occupancy of the Premises by the Lessee is possible, the rent shall be apportioned according to the portion of the Premises remaining usable. If such repairs are not completed within one-hundred eighty (180) days from the date that the repair work is began, either party may terminate this Agreement by giving written notice to the other party at any time after the expiration of the 180-day period.

Section 18.01 - Lessee's Default:

The following events shall be deemed to be events of default by Lessee under this Agreement:

- A. Lessee shall be adjudged bankrupt, or shall file a voluntary petition in bankruptcy or make a general assignment for the benefit of Lessee's creditors, or a receiver be appointed for Lessee's property, or if execution be issued against Lessee's interest in this Agreement, or if Lessee's interest in this Agreement shall by operation of law pass to any person other than Lessee; or
- B. Lessee shall fail to pay the rental due hereunder or any other amount payable to Lessor hereunder; or
- C. Lessee shall fail to perform any requirements of this Agreement, other than a failure described in subsection 18.01(B) above, and such failure shall continue for ten (10) days after written notice of such failure from Lessor delivered to Lessee.

Upon the occurrence of any one or more of such events of default, at the option of Lessor, (i) this

Agreement shall cease and terminate immediately and Lessee shall quit and surrender the Premises to Lessor, or (ii) Lessor may pursue any remedy available to Lessor, whether by law or contract, or in equity, including without limitation the repossession of the Premises by Lessor without terminating the Agreement, in which event Lessee shall be liable for all rent payable through the date of repossession, plus rent required to be paid by Lessee during the remainder of the initial term (or, if applicable, the any renewal term), diminished by any sums thereafter received by Lessor through reletting the Premises during said period. If this Agreement shall be terminated by Lessor pursuant to this Section 18.01, Lessor may at any time thereafter resume possession of the Premises by any lawful means and without breach of the peace, and remove Lessee and Lessee's property therefrom. Time is of the essence with respect to all matters described in this Section 18.01.

Section 19.01 - Lessor's Default:

Lessor shall be in default of this Agreement if it fails or refuses to perform any provision of this Agreement that it is obligated to perform if the failure to perform is not cured within thirty (30) days after written notice of the default has been given by Lessee to Lessor. If the default cannot reasonably be cured within thirty (30) days, Lessor shall not be in default of this Agreement if Lessor commences to cure the default within the thirty-day period and in good faith continues to cure the default. In the event the Lessor fails to cure a default as provided hereinabove and the continuance of such default results in the interruption of the Lessee's peaceable enjoyment of the Premises, then the Lessee shall be entitled to the abatement of the monthly rent payable under this Agreement and the amount of such abatement shall be in the same proportion as the amount of the Premises rendered unusable by Lessor's default is to the totality of the Premises. If the default is not cured within ninety (90) days, Lessee has the right to terminate this Lease without further obligation to Lessor by giving notice to Lessor, unless the Lessor is diligently prosecuting a cure and does cure by the 120th day and the Lessor has not otherwise refused to cure the default.

Section 20.01 - Surrender of Premises:

Upon termination of this Agreement by lapse of time or otherwise, Lessee shall immediately surrender the Premises in as good condition as they were in at the beginning of the term, ordinary wear and tear and alterations, changes and additions made in compliance with this Agreement, acts of God, and other casualty excepted. In the event the Lessee retains possession of the Premises after the termination date of this Agreement, then the Lessee shall pay to the Lessor a monthly rental amount equal to 110% of the monthly rental amount set forth in Section 4.01 hereof for each month or part thereof that the Lessee retains possession of the Premises after the termination date of this Agreement.

Section 21.01 - Notice:

No delay or omission by either party in exercising any right occurring upon any noncompliance or default by the other party with respect to any of the terms hereof shall impair any such or be construed to be waiver thereof. A waiver by either party of any of the covenants and agreements to be performed by the other shall not be construed to be a waiver of any succeeding breach thereof or of any other covenants or agreements herein contained.

Section 25.01 - Heirs and Successors:
