Article 1. Basic Lease Structure

Current OTB Anchor: Current OTB Sections 1.01, 3.01, 4.01, 21.01

This Lease is intended to be used with a completed Lease Summary. If there is a conflict, the signed Lease Summary controls the variable business terms and the body of this Lease controls the fixed legal terms.

Landlord: [LANDLORD LEGAL NAME]. Tenant: ROBERTSON FAMILY HOLDINGS, LLC, a Louisiana limited liability company. Premises: 121, 121 Arnould Boulevard, Lafayette, Louisiana 70506, containing 1,709 rentable square feet within the Shopping Center.

Effective Date, Possession Date, Commencement Date, Rent Commencement Date, Expiration Date, and any Outside Opening Date shall be stated in the Lease Summary and, if applicable, confirmed later by Commencement Date Memorandum.

Article 2. Premises; As-Is Acceptance

Current OTB Anchor: Current OTB Section 1.01(B)-(C)

Tenant acknowledges inspection of the Premises and accepts the Premises in its then-existing condition, AS IS and WITH ALL FAULTS, except for any express obligations of Landlord stated in the Lease Summary or Work Letter.

Landlord makes no representation regarding suitability for Tenant's business beyond express written terms of this Lease.

Article 3. Permitted Use; Prohibited Uses; Shopping Center Controls

Current OTB Anchor: Current OTB Sections 2.01 and 7.01

Tenant may use the Premises only for the Permitted Use stated in the Lease Summary and for no other use without Landlord's prior written consent.

Unless expressly changed in the Lease Summary or an approved addendum, the house-form prohibited use controls must preserve current OTB restrictions, including no Jason's-Deli-type delicatessen use, no cat-focused veterinary clinic, and no boutique primarily selling home goods, monogrammed or personalized items, candles, decor, drinkware, or jewelry where restricted by existing center commitments.

Tenant shall not create a nuisance, violate Laws, increase Landlord insurance premiums by its use, or conduct any use conflicting with another tenant's contractual exclusive rights.

Article 4. Term; Delivery; Opening; Continuous Operations

Current OTB Anchor: Current OTB Section 3.01 and Schedule C

The Term begins on the Commencement Date and expires on the Expiration Date shown in the Lease Summary, subject to any approved extension or renewal.

Tenant shall open for business by the Outside Opening Date, if any, and thereafter continuously operate in accordance with this Lease, the Rules and Regulations, and any Operating Hours Schedule.

Unless a written waiver is signed, house-form operating hours must preserve the current OTB standard of at least Monday through Friday, 10:00 a.m. to 5:00 p.m., with no required opening on stated holidays in the Rules and Regulations.

Article 5. Base Rent; Additional Rent; Payment Mechanics

Current OTB Anchor: Current OTB Section 4.01 and Schedule G

Tenant shall pay Base Rent and Additional Rent in the amounts and at the times set forth in the Lease Summary and Rent Schedule. The system must be able to generate abatement months, partial-abatement months, and stepped rent periods.

Unless Landlord directs otherwise, all amounts are due on the first day of each month without offset or deduction. Landlord may require ACH, wire, portal payment, or other automated payment method at any time.

The current OTB late-charge rule remains the house default unless specifically revised by approved deviation: if the Total Monthly Rental Payment is not received by the fifth day of the month, Tenant owes a fixed late fee of \$100.00 plus \$25.00 per day beginning on the sixth day of that month.

Article 6. Common Area Maintenance; Taxes; Insurance Charges

Current OTB Anchor: Current OTB Sections 4.01(B), 5.01, 6.01

Tenant shall pay its Pro Rata Share of Common Area Maintenance Charges, Taxes, and Insurance Charges, whether billed as fixed estimates, schedule amounts, or reconciled actuals, as stated in the Lease Summary.

The current OTB house rule preserves a five percent (5%) annual cap on increases to Common Area Maintenance Charges and/or Taxes and Insurance Charges over the prior calendar year actual amounts, unless an approved deviation is entered for a specific transaction.

Tenant remains separately responsible for taxes on Tenant personal property, equipment, fixtures, and inventory.

Article 7. Assignment; Subletting; Transfers

Current OTB Anchor: Current OTB Section 8.01

Tenant shall not assign this Lease, sublease any portion of the Premises, mortgage its interest, or permit a transfer of control without Landlord's prior written consent, which may be granted or withheld in Landlord's discretion as allowed by applicable law and center lease constraints.

Any consent does not release Tenant or any guarantor unless Landlord signs an express written release.

Article 8. Maintenance; Repairs; HVAC

Current OTB Anchor: Current OTB Section 9.01

Tenant shall maintain the interior of the Premises and all non-structural systems serving only the Premises in good order, clean condition, and legal compliance.

Landlord shall maintain roof, exterior walls, structural foundation, and in-slab plumbing/electrical, except to the extent damage is caused by Tenant.

The current OTB HVAC deal terms are preserved as default business terms: Tenant pays the first \$1,500.00 of each repair visit, pays fifty percent (50%) of replacement cost, maintains a monthly HVAC contract with Butcher Air Conditioning or another Landlord-approved provider, and receives credit for a qualifying preceding repair visit if replacement occurs within fifteen (15) days after that repair visit.

Article 9. Alterations; Liens; Ownership of Improvements

Current OTB Anchor: Current OTB Section 10.01

Tenant shall not make additions, improvements, or alterations without Landlord's prior written consent if consent is required by the Lease Summary or construction rules.

Tenant shall keep the Premises free of liens, use licensed and insured contractors, obtain required permits, and repair damage caused by work or removal.

Unless Landlord requires removal, approved improvements become Landlord property at expiration, excluding Tenant's removable trade fixtures and movable equipment.

Article 10. Utilities; Janitorial; Transfer of Service

Current OTB Anchor: Current OTB Section 11.01

Tenant shall pay all utilities and service charges serving the Premises, including electricity, gas, water, trash, telecommunications, and janitorial costs.

Tenant shall immediately transfer electric service into Tenant's name at commencement. If Landlord pays any utility on Tenant's behalf, Tenant must reimburse the charge plus the current OTB administrative fee of \$100.00 per payment.

Tenant shall not disconnect utilities before surrender without reasonable written notice and cooperation with Landlord transfer procedures.

Article 11. Signs; Storefront Standards; Monument Rights

Current OTB Anchor: Current OTB Section 12.01 and Schedules C-D

All signage requires Landlord approval and must comply with Rules and Regulations, design criteria, and any sign rights listed in the Lease Summary.

The current OTB storefront standard remains the house default: exterior storefront signs must be manufactured by Universal Sign Company, walkway signs by Hubbard Sign Company, letters may not exceed 26 inches in height, total lettering length may not exceed 80% of storefront width, signs must be at least 2 feet from each

corner, illuminated signs must remain lit from dusk until midnight, and no flashing, moving, audible, paper, or freestanding signs are allowed unless Landlord expressly approves otherwise.

Article 12. Access; Common Areas; Parking

Current OTB Anchor: Current OTB Sections 13.01 and 22.01

Landlord may enter the Premises on at least 12 hours' prior notice during business hours and at other reasonable times for inspection, repair, showing, compliance checks, and common area work, except in emergencies where no prior notice is required.

Landlord retains sole control of the Common Areas, may change traffic flow, parking, landscaping, or access, and may temporarily close portions for repair, events, or management purposes.

Article 13. Indemnity; Hazardous Materials; Insurance; Waiver of Subrogation

Current OTB Anchor: Current OTB Sections 14.01, 14.02, 15.01, 16.01

Tenant shall indemnify, defend, and hold Landlord harmless from claims arising in or about the Premises or from Tenant's use, occupancy, work, employees, agents, customers, guests, or invitees, except to the extent caused by Landlord's gross negligence or willful misconduct.

Tenant shall not use or bring Hazardous Substances onto the Premises except in lawful de minimis amounts customary for the Permitted Use and must promptly remediate any Tenant-caused contamination.

Tenant must maintain insurance stated in the Lease Summary and Exhibit G, including Landlord as additional insured on a primary and non-contributory basis, plus 30-day cancellation notice if available by endorsement. Landlord and Tenant waive subrogation rights to the extent covered by insurance.

Article 14. Casualty; Condemnation; Rent Abatement

Current OTB Anchor: Current OTB Section 17.01

If casualty renders the Premises unusable, Landlord may terminate if restoration is not commercially practical or not timely completed. If the Premises is partially usable, rent abates proportionately during the period full use is not possible, subject to the current OTB casualty framework.

If damage is caused by Tenant, Tenant remains responsible to the extent not covered by Landlord insurance.

Article 15. Defaults; Remedies; Attorneys' Fees

Current OTB Anchor: Current OTB Sections 18.01, 19.01, 24.01, 30.01

Events of Tenant default include bankruptcy-type events, failure to pay rent or other sums when due, abandonment, and non-monetary breaches not cured within five (5) days after written notice if a cure period applies.

Landlord may terminate, recover possession, accelerate or recover damages to the extent permitted by the Lease and Louisiana law, apply deposits, and recover attorneys' fees and costs as provided in the current OTB lease structure.

Landlord's delay in exercising rights is not a waiver. Lessor default cure remains thirty (30) days after notice, with longer period if cure is diligently commenced and cannot reasonably be completed inside thirty days.

Article 16. Surrender; Holdover; Security Deposit

Current OTB Anchor: Current OTB Sections 20.01 and 35.01

At expiration or earlier termination, Tenant shall surrender the Premises in required condition, remove signage and personal property, and repair damage caused by removal.

If Tenant remains in possession without approved extension or renewal, holdover rent remains two hundred percent (200%) of the monthly rental amount otherwise due under Section 4.01, plus Additional Rent and damages.

Security Deposit terms remain controlled by the Lease Summary; the current OTB rule that the deposit may not be applied as the last month's rent remains the default house rule.

Article 17. Renewals; Extensions; Recordation; Miscellaneous

Current OTB Anchor: Current OTB Sections 21.01, 23.01, 25.01, 26.01, 27.01, 31.01, 32.01, 38.01

Unless otherwise stated in the Lease Summary, Tenant has one option to renew for one additional three-year term, exercisable only if Tenant is not in default, by written notice to Landlord not less than sixty (60) days before expiration. Renewal rent is negotiated unless the Lease Summary supplies a formula.

This Lease is governed by Louisiana law. Notices must be in writing and delivered by methods stated in the Lease Summary notice block. The Lease itself is not to be recorded, but a memorandum may be recorded if Landlord approves the form.

Any approved extension should be documented by either a Renewal Option Exercise Notice plus Landlord acknowledgement or by a full Lease Extension Agreement generated from the system.

On the Boulevard Shopping Center

This Personal Guaranty is made as of [EFFECTIVE DATE] by [GUARANTOR NAME] in favor of Belle Realty of Lafayette, LLC, a Louisiana limited liability company, as Landlord.

Section 1. Recitals

Landlord and [TENANT NAME] entered into a lease for Suite 121 at On the Boulevard Shopping Center, 101-149 Arnould Blvd., Lafayette, LA 70506. Guarantor will benefit directly or indirectly from Tenant's leasehold rights. This Guaranty is a material inducement to Landlord entering into the lease.

Section 2. Absolute Guaranty

Guarantor absolutely, unconditionally, and irrevocably guarantees the full and punctual payment and performance of all obligations of Tenant under the lease, whether arising before, during, or after the term, and whether arising by extension, amendment, holdover, assignment, bankruptcy, surrender, or otherwise.

Section 3. Payment and Performance

This is a guaranty of payment and performance and not merely collection. Landlord may proceed directly against Guarantor without first suing Tenant, enforcing the lease against Tenant, exhausting collateral, or applying the security deposit.

Section 4. Continuing Liability

This Guaranty is continuing and remains in effect until all obligations are fully paid and performed. No amendment, concession, waiver, assignment consent, transfer, expansion, extension, renewal, or workout releases Guarantor unless Landlord signs an express written release.

Section 5. Waivers

Guarantor waives notice of acceptance, notice of default, demand, presentment, protest, diligence, marshalling, any right to require Landlord to proceed first against Tenant, and all suretyship defenses to the fullest extent permitted by law.

Section 6. Reinstatement

If any payment made by Tenant or Guarantor is later rescinded, avoided, recovered, or returned in insolvency, bankruptcy, or similar proceedings, this Guaranty is reinstated as though the payment had never been made.

Section 7. Financial Reporting

Within ten days after request, Guarantor will deliver financial statements, tax returns, schedules of liabilities, and other financial information reasonably requested by Landlord in connection with the lease, any renewal, any default, or any proposed transfer.

Section 8. Subordination and No Recourse Against Tenant

Until all obligations are satisfied, Guarantor will not seek reimbursement, subrogation, contribution, or indemnity from Tenant.

Section 9. Costs of Enforcement

Guarantor will pay Landlord's reasonable attorneys' fees, court costs, collection costs, and enforcement expenses to the extent permitted by law.

Section 10. Governing Law and Venue

This Guaranty is governed by Louisiana law. Exclusive venue is Lafayette Parish, Louisiana, subject to applicable federal jurisdiction.

Operational Rules Preserved from Schedule C

- Required hours are Monday-Friday, at least 10:00 a.m.-5:00 p.m.; Saturday/Sunday opening is optional.
- Failure to remain open may incur a fine up to \$100 per occurrence; five or more occurrences in a 12-month period gives Landlord an additional termination right.
- No required opening on New Year Day, Mardi Gras Day, Easter Sunday, Thanksgiving Day, or Christmas Day.
- Tenant must use a qualified pest-control contractor, comply with designated loading/delivery procedures, keep adjoining areas clean, use designated employee parking, and avoid offensive noise or odors.
- Rear door must display Tenant name and address; rear-door security lighting remains illuminated all night.
- Illuminated signage operates automatically from dusk until midnight.

Baseline Insurance Preserved from Section 15.01

Tenant baseline: \$1,000,000 each occurrence and \$1,000,000 general aggregate CGL; \$1,000,000 personal and advertising injury; \$100,000 fire legal liability; \$5,000 medical payments; Landlord additional insured; primary basis; certificate at commencement and each anniversary; 30-day prior written cancellation/nonrenewal notice. Any stronger Exhibit G requirement is an intentional modernization only after insurance-advisor and Louisiana-counsel approval.

Source Defects Not Silently Carried Forward

- Section 2.01 duplicates prohibited-use item iii as item iv. The duplicate is omitted, not treated as a separate restriction.

- Section 4.01 contains an apparent tax/insurance labeling error before stating \$0.95 taxes and \$1.95 insurance. Schedule G resolves the example arithmetic; the source defect remains flagged for counsel/operator confirmation.
- Section 30.01 appears to reverse responsibility in one sentence by stating Lessor is liable to Lessee for fees incurred because of Lessee default. This is not adopted as written and requires Louisiana counsel correction.
- The source uses a negotiated-rent renewal option. Counsel should confirm enforceability or add a definite fallback pricing mechanism.
- The source casualty language assigns repairs inconsistently across paragraphs. The modernized casualty article must be reconciled by Louisiana counsel before execution.
