Fidelity National Title — Loan Policy (2007)

HIGH RISK

Title

This is a LENDER loan policy insuring Protective Life Insurance Company on a 2007 \$1,250,000 mortgage — NOT the current Investar Bank loan. It does not protect Belle Realty's ownership interest and names the wrong (prior) lender. There is no evidence of an owner's title policy or a current lender policy for the 2019 Investar loan. Order (a) an owner's title policy in Belle Realty's name and (b) a lender policy for Investar if one was never issued.

Commercial Property — Buildings (26–27)

MEDIUM RISK

Landlord Insurance

This is the policy that DOES insure the buildings — Loc 1, 101–149 Arnould, building limit \$7,988,449 (RC, 80% coinsurance), plus Business Income/Extra Expense/Rental \$928,557 and Equipment Breakdown. Track: (1) 80% coinsurance — if replacement cost exceeds ~\$9.98M, a coinsurance penalty applies at loss; confirm insured value is adequate. (2) Flood EXCLUDED (standard) — no NFIP/private flood in program; decide given Lafayette exposure. (3) Wind/hail min earned premium 25%/85% during wind season. (4) FPE panel at Pink Paisley noted in inspection. (5) Obtain the actual Lloyd's policy number and attach the bound policy.

Hartford Package — GL + Umbrella (26–27)

LOW RISK

Landlord Insurance

This is the LIABILITY package (GL \$1M/occ, \$2M agg; Umbrella \$5M) — it is liability-only BY DESIGN. Building/property coverage is NOT here; it lives on the separate Lloyd's of London commercial property policy (building limit \$7,988,449). Earlier "no property coverage" reading was of these liability decs and was a false alarm. Open items to confirm with TSL: (1) Federal Pacific electric panel flagged at Pink Paisley (101/103) — fire hazard, may affect renewal; (2) no flood policy in program (NFIP/private) — decision needed.

Investar Bank Term Loan

LOW RISK

Loan / Financing

Balloon maturity 04-30-2030. Begin refinance/extension conversations ~12–18 months out (by late 2028) to avoid a rushed rate reset at maturity.
