It is agreed and understood that all equipment and parts which are sold pursuant hereto shall not become fixtures or part of the real estate where they are placed. Said parts and equipment shall at all times remain personal property and the title thereto shall remain in Company until payment in full is received. Company does not warranty that the equipment installed will prevent growth of mold or prevent the release of mold spores at the job location. Customer hereby agrees that all parts and equipment may be repossessed in the event of non-payment.

Customer has the authority to order the work as outlined above. Customer agrees to pay all costs and reasonable attorney's fees if this proposal is placed in the hands of an attorney for collection.
