

SCHEDULE D
BOULEVARD SHOPPING CENTER PROPERTY
DESIGN CRITERIA FOR LESSEE SIGNS

Lessee's sign or signs shall be store identity signs only, and must be placed on the exterior façade of the canopy which covers the sidewalk in front of the Premises (the "Canopy") in the area designated for signs. No signs shall be suspended from the underside of the façade, but may, subject to the approval of the Lessor, be suspended from the underside of the Canopy.

No freestanding signs shall be permitted.

Lessee's signage shall be manufactured by a sign manufacturing company approved by obtaining the Lessor's prior written consent, which said consent shall not be unreasonably withheld so long as the the Sign Design Criteria set forth in this Agreement is adhered to and is as fololows: Lessee's sign shall be Individual Channel Illuminated letters, interior light with single 12mm white neon, five and one-half (5 ½") inch deep Channel letters using .040 aluminum with bronze factory baked enamel finish, plastic facing, using 1" Jewelite gold Trim cap.

Letter style may be of the Lessee's choice, subject to review and written approval by Lessor prior to the sign order being placed with the company.

Lessee's sign shall be limited to letters not to exceed twenty-six (26") inches in height. The maximum length of Lessee's lettering may be 80% of the frontage of the Premises, but no letters shall be nearer than two (2') feet to either corner of the Premises. No exposed neon light shall be used on signs without Lessor's prior written approval.

All neon on interior of letters to be UL48 specifications, PK housing, electrical conduit, etc. Letters to be mounted on a raceway, shall not exceed store identity name with cabinet being a maximum eight (8") inches width and eight (8") inches depth (transformers mounted in raceway); the raceway shall be painted the same color of the building fascia to which it will be attached.

Lessee's lettering on doors, windows or show windows may not be illuminated and may not exceed six (6") inches in height.

Lessee's shall not employ paper signs to be applied to the interior or exterior faces of the store front glass or other material. Lessee shall not employ any flashing action, moving action or audible signs.

Lessee's sign shall be in accordance with ordinances of governing bodies having jurisdiction over the Shopping Center, the Premises and/or the Lessee.

Lessee's signs shall operate in a manner which automatically turns the sign(s) on at dusk and turns the sign(s) off at 12:00 midnight each day.

Lessor's approval of Lessee's plans and specifications for space improvement work shall not be deemed to constitute approval by Lessor of any of Lessee's sign work. Lessee shall submit separate drawings and specifications, in quadruplicate, including colors, for all its proposed sign work. The drawings shall clearly show the location of all signs on the storefront elevation drawing, graphic, color and construction and attachment details. Within a reasonable time after the receipt of such drawings and specifications, Lessor shall return one set thereof to Lessee with its approval and/or any suggested modifications from Lessor. Lessee shall be deemed to have agreed to and approved all suggested modifications.

All Lessee signs must be fully approved in writing by Lessor prior to installation.

In the event that Lessee places or otherwise erects a sign or signs in any place other than within the Premises without the prior written approval of the Lessor, the Lessor shall have the right to remove such sign or signs and the costs of removal shall be the responsibility of the Lessee. The Lessee shall reimburse the Lessor for such costs within thirty (30) days of receipt of an invoice from the Lessor for the costs of removal of the sign or signs. The cost of such removal shall be considered rent due hereunder and the non-payment by the Lessee shall be considered nonpayment of rent and entitle the Lessor the exercise its rights for non-payment of rent.
