4. Section 9.01 of the Lease Agreement is hereby deleted in its entirety and replaced with the following.

“Section 9.01 - Maintenance, Repairs:

Lessee acknowledges that the Premises is in good order and repair and shall surrender the same at termination hereof, in as good condition as received, normal wear and tear excepted. Lessee shall be responsible for all repairs required, excepting the roof, exterior walls and structural foundation (including the electrical and plumbing systems situated in or below the Premises’ concrete slab foundation), which shall be maintained by Lessor. Lessee shall also be responsible for keeping at all times areas immediately adjacent to the Premises, such as sidewalks and parking areas, free and clear of trash and other refuse. Lessee shall promptly repair any damage to any part of the building in which the Premises is located, including but not limited to the roof, exterior walls and structural foundation (including the electrical and plumbing systems in or below the Premises’ concrete slab foundation), in the event such damage is caused by or attributable to the actions or inactions of Lessee, its employees, officers, directors, shareholders, members, partners, representatives, agents, customers, guests, invitees or licensees, to the extent to which such is not covered by insurance under Section 15.01. Notwithstanding the foregoing, the Lessor shall be responsible for the repair and replacement, if necessary, of the heating and air conditioning (“HVAC”) system servicing the Premises provided that the Lessee maintains, at its own expense, for the full term of this Agreement and any renewal or extensions thereof, a monthly maintenance

contract with Butcher Air Conditioning for regular routine maintenance to the HVAC systems and components thereof in the Premises.

Lessee further agrees to maintain the Premises in clean and healthful condition and to comply with all laws, ordinances, orders, rules and regulations (state, federal, municipal and any other agencies or bodies having any jurisdiction thereof) with respect to the use, condition or occupancy of the Premises.

In discharging the responsibilities hereunder, Lessee shall utilize the services of bonded, licensed contractors to perform all maintenance or repair work to the Premises.

Lessee agrees to hire Butcher Air Conditioning, or other agreeable HVAC provider, to perform all maintenance, repairs and replacements of the heating and air conditioning systems and components servicing the Premises.”
