Commitment: **Dated May 3, 2007**
 On The Boulevard Shopping Center
 Lafayette, Lafayette Parish, Louisiana ("Project")

Gentlemen:

The above-referenced commitment is amended as follows:

1. The Acceptance Date as stated in Section 1.1 is changed to "May 28, 2007".
2. The first paragraph in Section 1.5 (a) is amended in its entirety as follows:

"Voluntary prepayment. The Loan may be prepaid in full (but never in part, **except as hereinafter provided**) at any time during the Loan term, upon 90 days prior written notice to Lender and payment of a prepayment premium equal to the greater of (i) one percent (1%) of the then unpaid principal balance of the loan; or (ii) a Yield Maintenance Premium based on the formula described below."

3. Section 1.5 (d) is amended in its entirety as follows:

"Casualty and Condemnation. No **Yield Maintenance Premium or any other charge or premium** shall be payable due to payment resulting from the application of condemnation or casualty proceeds to a reduction of the indebtedness secured pursuant to the Loan Documents."

4. The last sentence in Section 1.7 is amended in its entirety as follows:

"Nothing herein or in any assumption document shall be construed to require Lender to approve any proposed purchaser or to release Borrower from any obligations under the Loan documents **for environmental matters first occurring prior to the transfer/assumption.** However, in the event of an assumption by an approved Purchaser and Guarantor, Borrower and Principal(s)/Guarantor(s) will be released of all liability under the Loan Documents for matters first occurring after the date of the sale."

5. The last sentence in the last paragraph in Section 2.3 is amended in its entirety as follows:

"If the appraised value is less than the Minimum Appraised Value or the conclusions or methodology of the appraisal are otherwise unacceptable to Lender, then Lender reserves the right to **adjust the Loan Amount to a level acceptable to Lender.**"

6. The following is added as additional language to the end of Section 2.4:

"Lender has inspected and approved Project's location."

7. The last sentence in Section 2.5 is amended in its entirety as follows:

"Any space which is unoccupied on the date of funding must be completed in all respects, except for floor and wall coverings, **except for the uncompleted spaces previously disclosed to the Lender by the Borrower and located in the building area proximate to the existing tenants, Jason's Deli and Wild Birds Unlimited.**"

8. The following is added as additional language to the end of Section 2.11:

"The Borrower may satisfy the requirements set forth herein by delivery to the Lender prior to closing of a written confirmation that this information is unavailable."

9. The following is added as additional language to the end of Section 3.1:

"As a **limited exception** to the foregoing, if (i) Borrower timely submits complete information with respect to the following required due diligence items; (ii) Lender disapproves the submitted item; (iii) Borrower is diligent in obtaining and submitting additional documentation required by Lender to clarify, supplement or amplify the disapproved item; and (iv) despite Borrower's diligent efforts to satisfy Lender's concerns, Lender disapproves same and thereby the conditions precedent to funding under this Commitment cannot be satisfied, then Lender will refund the Commitment Fee (but not any other fees required by this Commitment), less any out-of-pocket expenses (including legal fees) incurred by Lender. The due diligence items referred to in this paragraph are: environmental site assessment and property condition assessment."

10. The following is added as additional language to the end of Section 5.3:

"Notwithstanding the foregoing, the Lender acknowledges that the Project is managed by the Borrower and the Principal and Lender consents to the management of the Project by the Borrower and the Principal."

Except as herein amended, all other terms and conditions of the commitment remain unchanged and the commitment, as amended, remains in full force and effect.

This amendment must be executed without further change and returned to Lender no later than June 19, 2007, otherwise this amendment to the commitment shall be null and void.

Sincerely,

Carl S. Thigpen

LANDAMERICA ASSESSMENT CORPORATION

TERMS AND CONDITIONS FOR STANDARD CONSULTING SERVICES AGREEMENT

A. **ENTIRE AGREEMENT.** This Agreement is the offer of LandAmerica Assessment Corporation (LAC) to perform the consulting services described in the section of the Proposal entitled Scope of Work, and subsequent work as authorized by change orders to the Proposal, under the terms and conditions expressed herein. The Proposal number of the Proposal referenced in this Agreement is provided at the end of this Agreement. By signing this agreement, the Client accepts the terms and conditions of the Agreement as written herein, and authorizes LAC to proceed. This Agreement supersedes all prior proposals or negotiations not referenced herein between the parties and are expressly conditional upon the Client's agreement to the terms and conditions of this Agreement. These terms and conditions will apply to any contract or purchase order document issued by the Client for these services, whether or not it is expressly incorporated. Any inconsistencies between any term hereof and any term set forth in any contract or purchase order issued by the Client shall be resolved in favor of the terms and conditions hereof. This Agreement may not be modified except in writing, and agreement to any modification must be indicated by the signature of both parties.

B. **SERVICES TO BE PERFORMED.** The services to be performed are described in the section of the Proposal entitled Scope of Work. Except as specified elsewhere herein, LAC shall furnish all technical and professional services, including labor, material, supplies, equipment, transportation, accommodation, subsistence and supervision of LAC personnel, to perform all tasks set forth in the Scope of Work within the target schedules. In providing these services, LAC is an independent contractor and all persons employed in connection herewith shall be LAC's employees and not employees of the Client.

C. **COMPENSATION.** Charges for professional services shall be invoiced and paid in accordance with the Lump Sum Price or the Fee Schedule contained in the Proposal.

D. **INVOICING AND PAYMENT.** Invoices for LAC's services shall be submitted to Client at time of report delivery. Payment shall be made within thirty (30) days of presentation of the invoice. Payments made after thirty (30) days shall be subject to a charge equal to one and one-half percent (1 1/2%) per month (as limited by state law) in addition to the invoice amount. Should any invoice be in dispute, only that portion of the invoice in dispute may be held in abeyance until the dispute is resolved. LAC reserves the right to suspend or terminate service upon reasonable notice for the non-payment of invoices.

E. **CONFIDENTIALITY.** LAC agrees that it will not publish or make known to others results or information obtained from the performance of these services without approval in writing from the Client except as required by federal, state and local laws or judicial or government orders concerning the reporting of potential dangers to public agencies. LAC shall have no liability to Client or any third party for notifications or reports made in accordance with such laws or orders and Client shall defend, indemnify and hold LAC from and against any and all claims, demands, liabilities and expenses, including reasonable attorney's fees, incurred by LAC in connection with such notifications or reports.

F. **INDEMNIFICATION.** LAC agrees, to the fullest extent permitted by law, to indemnify and hold the Client harmless from any damage, liability or cost (including reasonable attorney's fees and costs of defense) to the extent caused by LAC's negligent acts, errors or omissions in the performance of professional services under this Agreement and those of his or her subconsultants or anyone for whom LAC is legally liable.

The Client agrees, to the fullest extent permitted by law, to indemnify and hold LAC harmless from any damage, liability or cost (including reasonable attorney's fees and costs of defense) to the extent caused by the Client's negligent acts, errors or omissions and those of his or her contractors, subcontractors or anyone for whom the Client is legally liable and arising from the project that is the subject of this Agreement.

To the maximum extent permitted by law, the Client agrees to limit LAC's liability for the Client's damages to the sum of \$50,000 or LAC's fee whichever is greater. This limitation shall apply regardless of the cause of action or legal theory pled or asserted.

G. **ASBESTOS AND LEAD INVESTIGATIONS.** The client acknowledges that the act of sampling suspect asbestos or lead-containing building materials may affect, alter or damage the mechanical equipment and/or building components at, in or upon the site. LAC shall not be liable for any effect, alteration or damage arising out of the act of sampling. LAC will exercise reasonable efforts to limit damage to the Site. The cost of restoration of the Site because of any such damage has not been calculated or included in LAC's fees.

H. **SAMPLES.** LAC may discard all soil, rock, water, asbestos, and other samples sixty (60) days after receipt of sample or at the expiration of the holding time of the test method employed. Client may request, in writing, that any such samples be retained beyond such date, and in such case LAC will ship such samples to the location designated by Client, at Client's expense. LAC may, upon written request, arrange for storage of samples at LAC's offices, at mutually agreed storage charges. This is the only notice of intention to discard samples that will be given.

I. **TERMINATION.** This Agreement may be terminated at any time by mutual consent or by notice by either party in writing. In the event of termination for any reason prior to completion of the assignment, LAC reserves the right to complete such analyses and records as are necessary to place its files in order and, where considered by LAC as necessary to protect its professional reputation, to complete a report on the work performed to date. A termination charge to cover the cost hereof shall be made. In addition, the Client shall compensate LAC for all work performed prior to such termination in accordance with the Fee Schedule in the Proposal.

J. **DISPUTES AND ARBITRATION.** Any controversy or claim arising out of, or related to, this Agreement, the breach thereof, or the coverage of this arbitration provision shall be settled by arbitration which shall be conducted in the state of California in accordance with the Commercial Arbitration rules of the American Arbitration Association as such rules shall be in effect on the date of delivery of demand for arbitration. The arbitration of such issues, including the determination of the amount of any damages suffered by either party hereto by reason of the acts or omissions of the other, shall be to the exclusion of any court of law except for enforcement of an arbitrated award. The decision of the arbitrators, or a majority of them, shall be final and binding on both parties and their respective successors and assigns. Each party shall pay the fees of its own attorneys, and the expenses of its witnesses and all other expenses connected with the presentation of its case. The costs of the arbitration, including the cost of the record or transcripts thereof, if any, administrative fees, fees of the arbitrators, and all other fees and cost shall be borne as determined by the arbitrators.

K. **APPLICABLE LAW.** This Agreement and any contract or purchase order issued by Client accepting this offer shall be governed by, subject to, and construed in accordance with the laws of the state of California. Client has read this Agreement, understands it, and agrees to be bound by its terms.

L. **NON-WAIVER.** The failure of either party to exercise any right or remedy hereunder or to take any action permitted on a breach by the other party shall not be deemed a waiver of such right or remedy or of any other rights or subsequent breach of a like or different nature.

M. **SEVERABILITY.** The provisions of this Agreement are severable. The invalidity of any part of this Agreement shall not invalidate the remainder of the Agreement or the remainder of any portion hereof.
